

## Name of Product:

Fabuloso Multi-Purpose Cleaners

## Hazard:

The recalled products can contain *Pseudomonas* species bacteria, including *Pseudomonas aeruginosa* and *Pseudomonas fluorescens*, which are environmental organisms found widely in soil and water. People with weakened immune systems, external medical devices, or underlying lung conditions who are exposed to the bacteria face a risk of serious infection that may require medical treatment. The bacteria can enter the body if inhaled, through the eyes, or through a break in the skin. People with healthy immune systems are usually not affected by the bacteria.

## Remedy:

Refund  
Replace

## Recall Date:

February 08, 2023

## Units:

About 4.9 million (In addition, about 56,000 in Canada)

**Name of Product:**

Paradise Grills First Generation Outdoor Kitchens

**Hazard:**

Liquid propane (LP) gas can accumulate inside the closed lid and cabinets, causing an explosion when the user relights the grill, posing fire and burn hazards to the user.
